

## SUMMER READING LIST

PRE-KINDERGARTEN  
2008-2009

ACADEMY OF THE SACRED HEART  
GRAND COTEAU

Reading aloud to and with your child is an extremely important part of your child's pre-reading and reading skills. For your convenience, we have compiled a list of possible books for you to read to/with your child. We do not expect you to purchase these books, and are not requiring that these specific books be read. However, we do ask that you read a minimum of two books per week with your child.
